Ref:- Joint site visit along with the Architect on 17.10.2016

Gentlemen,

With reference to above, the plan showing the sewer network in the vicinity of the proposed redevelopment under reference is attached herewith please.

It is requested to superimpose the existing sewer network on the proposed layout of the redevelopment, so as to enable this office to offer the sewerage remark.

If the plot under reference is affected by D.P. road, it is necessary to pay prorata charges to MCGM before commencement of the project.

Upon approval of plans and before commencement of the project, the Owner/ Developer/ Architect shall obtain this office remarks by paying the necessary scrutiny fees and prorata charges as applicable by appointing licensed plumber.

These remarks shall not be treated as N.O.C. of this department
