- 57 CRZ/MCZMA NOC shall be submitted if applicable.

- 58 That the building will be designed complying requirement of all the relevant I.S. Code including I.S. Code 1893 for earthquake, the certificate to that effect shall be submitted from Structural Engineer.
- 59 That the plinth/stilt height completion certificate from Architect/Str. Engineer shall be submitted.
- 60 That the Civil Aviation NOC and Janta Insurance policy shall be submitted.
- 61 That this office shall be intimated in prescribed proforma for checking the opens spaces and building dimensions as soon as the work up to plinth is completed.
- 62 That the plinth stability certificate from Structural Engg. Shall be submitted.
- 63 All the payments as intimated by Building Proposal Cell/MHADA shall be paid and any other outstanding that may be levied by any other Govt. Dept. if any shall be borne by the Society / Applicant.
- 64 That the Material testing report for construction materials used at site shall be taken as per required frequency and report shall be submitted.
- 65 That the Architect, Structural consultant shall verify the scheme is progress as per sub-structure, super structure & OHT.

D: GENERAL CONDITIONS TO BE COMPILED BEFORE O.C

- 1 That the open spaces, parking spaces, and terrace will be kept open as per approval of plans.
- 2 That the surrounding open space, parking space shall be properly consolidated, paced with concrete, asphalt, sloped and drained.
- 3 That the dust bin will be provided and 3.00 mt. wide paved pathway upto staircase will be provided.
- 4 That the carriage entrance across road side drain shall be provided as per design of structural Engineer and carriage entrance fee shall be paid before submitted B.C.C. and paid receipt of the same shall be submitted.
- 5 That the pockets, trenches, ducts as per requirement of MTNL shall be provided.
- 6 That the footpaths, roads, etc. damaged during construction shall be kept repaired and in usable conditions and reinstated in as and when instructed by MCGM and before completion of work.
- 7 That the Vermiculture Bin for the disposal of wet water as per the design & specification of organization of company's specialized in this field as sanctioned by Solid Waste Management of BMC shall be provided.
- 8 That the provision of Rain Water Harvesting and bore well as per the design approved by the approved consultant in the field shall be submitted and completion to the same shall be submitted before O.C.C.
- 9 That the Building Completion Certificate in prescribed format as per DCPR-2034 shall be submitted.
- 10 That the requisite final sets of plans for completion of work on site one of which mounted on canvas shall be submitted at the time of intimating the date of completion.
- 11 That the structural stability certificate from the registered Structural Engineer for completed works shall be submitted to this office before asking for occupation permission/BCC.
- 12 That the smoke test and ponding test for the terrace & toilet water proofing shall be carried out and certificate from L.P. to that effect shall be submitted.
- 13 That Structural Engineer's final Stability Certificate along with up-to-date License copy and RCC design structural drawing shall be submitted before asking for occupation permission/BCC.
- 14 That the Site supervisor certificate for quality of work along with upto date License copy and completion of the work shall be submitted in prescribed format.
- 15 That site Supervisor certificate for quality of work and completion of the work shall be submitted in prescribed format.
- 16 That terraces, sanitary blocks, nahanis in kitchen will be made water proof and same will be provided by method of pounding and all sanitary connections will be leak proof and smoke test will be done in presence of licensed plumber and water proof certificate shall be submitted.
- 17 That the drainage completion certificate shall be submitted & got accepted.
- 18 That the sewerage lines shall be provided as per the remarks of EE (SP) P & D & final completion certificate to that effect shall be submitted.
- 19 The SWD completion certificate shall be submitted from Executive Engineer (SWD) W.S.
- 20 That the final NOC from S.G. shall be submitted before completion of building.
- 21 That the revised CFO NOC & completion certificate /final NOC from CFO shall be submitted before completion of building / asking for full OCC.
- 22 That the completion certificate from lift inspector regarding satisfactory installation and operation of lift shall be submitted.

- 23 That final N.O.C. from concerned authorities / empaneled consultants for: a) E.E. S.W.D & E.E. (S.P.) P & D, b) Roads, c) Sewerage, d) A.E.W.W. (P/S ward) Water Works, e) CFO/Fire Fighting Provisions, f) Tree authority, g) Hydraulic Engineer, h) A.A & C (P/S ward) Assessment i) Civil Aviation NOC shall be submitted before asking for occupation.
- 24 That the clearance certificate from Asstt. Assessor & Collector (P/S ward) regarding up to date Payment of Municipal Taxes etc. shall be submitted before starting the work.
- 25 That all dues clearance certificate from A.E.W.W., ' P/S ' Ward shall be submitted.
- 26 That the owner/developer shall submit certificate under section 270-A of the Bombay Municipal Corporation Act. from H.E.'s department regarding adequacy of water supply before asking BCC/occupation certificate for any part of the building.
- 27 All the payments as intimated by Building Proposal Cell/MHADA shall be paid and any other outstanding that may be levied by any other Govt. Dept. if any shall be borne by the Society / Applicant and that all payment of duties & taxes as per regulation by Central/State Government and/or local authority including labour welfare cess shall be made as per rules & regulations.
- 28 That the U.G. tank & over-head tank shall be constructed as per requirement of A.E.W.W. with mosquito proof enclosures & ladder for inspection etc. shall be provided and proper access for staff of PCO office with a provision of safe and stable ladder.
- 29 That the letter from MHADA appointing registered structural engineer shall be submitted and the structural designs and calculations considering seismic forces/wind load for proposed work and existing building showing adequacy thereof to take up additional load shall be submitted through him along with the supervision memo before starting the work and work shall be got done as per said design.
- 30 That the proposed Development Plan/ Municipal Road/Roads & Regular Line/ Lines shall be got demarcated at site jointly with the Municipal Survey Branch/Executive Engineer (Development Plan), Executive Engineer (Traffic & Co-ordination) & District Inspector of Land Roads.
- 31 That adequate storm water drains shall be provided in the sub-divided plots/layout area at the owner/owners cost including provision for admitting storm water from the surrounding locality as per the remarks of Executive Engineer S.W.D. (Planning).
- 32 That the surrounding open spaces, parking spaces shall be properly consolidated, paved with concrete, asphalt, sloped and drained.
- 33 That the adequate arrangement shall be made for sewerage of the sub-divided Plots/layout area at the owner/owner's cost to the satisfaction of the Hon'ble V.P/CEO, MHADA.
- 34 That the formation levels of the roads, cross sections slopes, sizes, and details of construction about the same as also about the storm water drain and sewers etc. shall be got previously approved from the Executive Engg. (P/S ward) W.S.
- 35 That the cost of laying water mains within the layout area shall be entirely borne by the owner/ owners. The layout of the mains as also distribution pipes shall be got approved from the Hydraulic Engineer.
- 36 That the land/plot/plots together admeasuring 10% of the total layout area, shown green in colour on plan shall be kept open and unbuilt upon and shall be developed as recreation ground/amenity open space and shall be properly maintained by all the sub-divided plot holders.
- 37 That after the road/roads/reservation/ reservations is/are demarcated at site and if it observed that the shape and total area of the plot/plots/site/sites do not comply with the sanctioned layout/sub-division and that there is material variation comprising of the actual site conditions, then the same will be got approved before carrying out any further works.
- 38 That the layout/sub- divided /amalgamated plots shall be duly got demarcated by the District Inspector of Land Records, necessary charges got effected on the records of right and a copy thereof sent to this office for record as also necessary permission obtained for non- agricultural use of the land as required under section 65 of the Land Revenue Code.
- 39 That the dry and wet garbage shall be separated and the wet garbage generated in the same building shall be treated separately on the same plot by residents/occupants of the building in jurisdiction of BMC. The necessary condition in sale agreement to that effect shall be incorporated by developer/owner.

SPECIAL INSTRUCTIONS

1. THIS INTIMATION GIVES NO RIGHT TO BUILD UPON GROUND WHICH IS NOT YOUR PROPERTY.
2. "Every person who shall erect as new domestic building shall cause the same to be built so that every part of the plinth shall be
 - a. Not less than, 2 feet (60 cms.) above the center of the adjoining street at the nearest point at which the drain from such building can be connected with the sewer than existing or thereafter to be- laid in such street.
 - b. Not less than 2 feet (60 cms.) Above every portion of the ground within 5 feet (160 cms.)-of such building.
 - c. Not less than 92 ft.(Town Hall) above Town Hall Datum.
3. Your attention is invited to the provision of Section 152 of the Act where by the person liable to pay property taxes is required to give notice of erection of a new building or occupation of building which has been vacant, to the Commissioner, within fifteen days of the completion or of the occupation whichever first occurs. Thus compliance with this provision is punishable under Section 471 of the Act irrespective of the fact that the valuation of the premises will be liable to be revised under Section 167 of the Act, from the earliest possible date in the current year in which the completion on occupation is detected by the Assessor and Collector's Department.
4. Your attention is further drawn to the provision about the necessity of submitting occupation certificate with a view to enable the V.P. & C.E.O./ MHADA to inspect your premises and to grant a permission before occupation and to levy penalty for non-compliance if necessary.
5. Proposed date of commencement of work should be communicated.
6. One more copy of the block plan should be submitted for the Collector, Mumbai Suburbs District.
7. Attention is drawn to the notes accompanying this Intimation of Approval.
8. That the guidelines for reduction of Air pollution issued by Chief Engineer (D.P.)BMC/ vide No. 214 & 14449 dt.15/09/2023 Hon'ble Municipal Commissioner (BMC) vide No.1102 dt.25/10/2023 and Municipal Commissioner (BMC) vide No. 6526 dtd.13.05.2025 shall be strictly followed on site.
9. That the air pollution mitigation covering all 28 points shall be complied at site and compliance report of same shall be submitted to concerned Executive Engineer of Mumbai Board & B.P. Cell MHADA in first week of every month.

NOTES

1. The work should not be started unless objections are complied with.
2. A certified set of latest approved plans shall be displayed on site at the time of commencement the work and during the progress of the construction work.
3. Temporary permission on payment of deposit should be obtained any shed to house and store for construction purpose, Residence of workmen shall not be allowed on site. The temporary structures for storing constructional material shall be demolished before submission of building completion certificate and certificate signed by Architect submitted along with the building completion certificate.
4. Temporary sanitary accommodation on full flushing system with necessary drainage arrangement should be provided on site workers, before starting the work.
5. Water connection for constructional purpose from MHADA mains shall not be taken without approval from concerned Executive Engineer of Mumbai Board.
6. The owners shall intimate the Hydraulic Engineer or his representative in Wards at least 10 days prior to the date of which the proposed construction work is taken in hand that the water existing in the compound will be utilized for their construction works and they will not use any Municipal Water for construction purposes. Failing this, it will be presumed that Municipal tap water has been consumed on the construction works. and bills preferred against them accordingly.
7. The hoarding or screen wall for supporting the depots of building materials shall be constructed before starting any work even though no materials may be expected to be stabled in front of the property. The scaffoldings,

bricks metal, sand preps debris, etc. should not be deposited over footpaths or Public Street by the owner/ architect /their contractors, etc without obtaining prior permission from the Ward Officer of the area.

8. The work above plinth should not be started before the same is shown to this office Sectional Engineer/Assistant Engineer concerned and acknowledgement obtained from him regarding correctness of the open spaces & dimensions.
9. The application for sewer street connections, if necessary, should be made simultaneously with commencement of the work as the Municipal Corporation will require time to consider alternative site to avoid the excavation of the road an footpath.
10. All the terms and condition of the approved layout /sub-division under No. of should be adhered to and complied with.
11. The compound wall or fencing should be constructed clear of the road widening line with foundation below level of bottom of road side drain without obstructing flow of rain water from adjoining holding before starting the work to prove the owner's holding.
12. No work should be started unless the existing structures proposed to be demolished are demolished.
13. The Intimation of Approval is given exclusively for the purpose of enabling you to proceeds further with the arrangements of obtaining No Objection Certificate from the Competent Authorities and in the event of your proceeding with the work either without an intimation about commencing the work or your starting the work without removing the structures proposed to be removed the act shall be taken as a severe breach of the conditions under which this Intimation of Approval is issued and the sanctioned will be revoked and the commencement certificate granted under Section 45 of the Maharashtra Regional and Town Planning Act 1966, (12 of the Town Planning Act), will be withdrawn.
14. The bottom of the over head storage work above the finished level of the terrace shall not be less than 1.20 Mt.and not more than 1.80 mt.
15. It is to be understood that the foundations must be excavated down to hard soil.
16. The positions of the nahanis and other appurtenances in the building should be so arranged as not to necessitate the laying of drains inside the building.
17. The water arrangement to be carried out in strict accordance with the Municipal requirements.
18. No new well, tank, pond, cistern or fountain shall be dug or constructed without the previous permission in writing of the VP/CEO /MHADA.
