**Sub.: - Approval of Civil and Electrical Products for use in MHADA
Schemes / Project.**

Ref. :- Hon'ble V.P & C.E.O/A's order no. 3895, Date : 02/09/2013.

Chief Engineer - I/A is empowered to approve various Civil and Electrical Products for use in MHADA Scheme/Projects as per Hon. V.P. & CEO/A's order referred above. Accordingly Chief Engineer-I/A has approved various products and list of these materials has uploaded it on MHADA's website.

It was brought to notice of this office by representatives of various companies that their products are approved by MHADA, the same are not included in the tender documents. Hence these products couldn't be used in MHADA Projects. It was also observed that products which are not approved by MHADA had found a place in tender documents.

In order to avoid these discrepancies, henceforth all materials approved by MHADA shall be allowed to be used in MHADA products within its validity period. All concerned are also directed to allow only products approved by MHADA, Government / Semi Government departments of Maharashtra State

within its validity period. Further these instructions are applicable to projects in formulation stage as well as ongoing projects.

These instructions shall be followed scrupulously.
