A/3891/MBRRB-2023 dated 15/05/2023.
3. Site inspection by this office on 04/07/2023

Sir,

Whereas the Mumbai Building Repairs and Reconstruction Board, Statutory Body constituted under MHAD Act 1976 (hereinafter referred to the "said Board" and "said Act" respectively) is entrusted with the responsibility of carrying out structural repairs & reconstruction of the old cessed buildings in the Island City of Brihan Mumbai in the interest of the tenants/occupants as per the Provisions of Chapter VIII of MHAD Act 1976

And whereas the State Government, for speedy redevelopment of old & dilapidated cess buildings in Island City of Mumbai has already sanctioned modifications to

Handwritten text in a cursive script, likely a letter or a page from a manuscript. The text is arranged in two columns, with a vertical line separating them. The handwriting is dense and somewhat difficult to decipher due to the cursive style and fading. There are several lines of text in each column, with some lines appearing to be headings or subheadings. The overall appearance is that of an old, handwritten document.

Development Control Regulation 33(7) & 33(9) by providing additional/incentive FSI for redevelopment to the owners of cess properties. However, it is noticed that even after the cess building is declared dangerous by MCGM or by MHADA/MBRRB, the owners of the cess buildings do not come forward for redevelopment even though the tenants/occupants are willing to co-operate for redevelopment.

And whereas the State Government considering the above said circumstances and difficulties faced by the tenants/occupants decided to bring certain corrective measures and therefore has amended Section 79 of MHAD Act 1976 by inserting new Section 79-A vide Maharashtra Act No. XLVIII of 2022 published in the Maharashtra Government Gazette dated 02.12.2022.

And whereas the new section 79-A of amended MHAD Act dated 02.12.2022 provides that, in case of the old cessed building which is declared dangerous by MCGM or by Competent Authority i.e. MHADA / MBRRB & redevelopment of such building is not taken up by the owner/landlord then Board shall adopt the following procedure:-

- a) To issue Notice to the Owner/Landlord of the cess building to submit the proposal for redevelopment within 06 months along with the consents of 51% of the tenants/occupants.
- b) If the Owner/Landlord fails to submit the proposal within the period, the proposed Co operative Housing Society of the tenants/occupants may submit the proposal to the Board for redevelopment along with 51% consents under the relevant provisions of DCPR 2034 within 06 months from the date of communication received from the Board.
- c) If the redevelopment is not initiated by Owners/Landlord or by the proposed Co-operative Housing Society of the tenants/occupants then Board shall acquire such building & reconstruct the building without insisting 51% consents of the tenants/occupants
- d) When the building is redeveloped under the provisions of the clauses and above the compensation shall be paid to the owner/landlord, at the rate of 25% of the amount of Ready Reckoner Rate, determined under the Maharashtra Stamp (Determination of True Market Value of Property) Rules 1995 of the open land of

1. The first part of the paper is devoted to a general discussion of the problem. It is shown that the problem is of great importance in the theory of the structure of the atom.

2. In the second part of the paper the author gives a detailed account of the experimental work which has been done in this field.

3. The third part of the paper is devoted to a discussion of the results of the experiments and to a comparison of them with the theoretical predictions.

4. In the fourth part of the paper the author discusses the implications of the results for the theory of the structure of the atom.

5. The fifth part of the paper is devoted to a discussion of the conclusions which can be drawn from the results of the experiments.

6. In the sixth part of the paper the author discusses the prospects for further work in this field.

7. The seventh part of the paper is devoted to a discussion of the conclusions which can be drawn from the results of the experiments.

8. In the eighth part of the paper the author discusses the prospects for further work in this field.

9. The ninth part of the paper is devoted to a discussion of the conclusions which can be drawn from the results of the experiments.

10. In the tenth part of the paper the author discusses the prospects for further work in this field.

11. The eleventh part of the paper is devoted to a discussion of the conclusions which can be drawn from the results of the experiments.

12. In the twelfth part of the paper the author discusses the prospects for further work in this field.

such building or fifteen percent of the built up area of sale component determined as per the Ready Reckoner Rate, whichever is higher the sale component means the built up area remaining after deducting rehab built up area from the permissible built up area admissible as per the relevant provisions of Development Control and Promotion Regulations-2034 for Greater Mumbai).

This office has inspected the building on **04/07/2023** & observed that the building is almost more than **80 years** old & is in dilapidated condition; hence beyond repairs and requires to be demolished & redeveloped.

Now, therefore in pursuance of the Provisions of the Section 79-A of the said amended Act, Notice is hereby given to you being the Owner/Landlord of the subjected cess building to submit the proposal for redevelopment along with Irrevocable Consents of 51% tenants/occupants to the Chief Officer/MBRRB within period of 06 months from the date of issue of this Notice.

If you fail to submit the proposal for redevelopment within stipulated time then MBRRB shall initiate further action as per the provisions of amended Section 79-A of MHAD Act 1976 & inform the tenants/occupants proposed co-operative Housing Society to submit the proposal for redevelopment to MBRRB.

Particulars of the Cess Building No. 191C, Navroz Baug bearing Cess No.F- S- 1046[10C] situated at Dr.S.S.Rao Road , Lalbaug,Mumbai 400012

The date from which MBRRB intends: 06 months from the date of issue of Notice to initiate further action.

Yours Faithfully,

Executive Engineer
(F/South Div.)
M.B.R. & R. Board
