B. SLSMC Observations: -

1. The DPR for Construction of 99 EWS and 4 LIG DUs is submitted by Mumbai Board. In the proposal the following observations needs clarity from Mumbai Board.: 1. There is no clarity regarding land ownership of the proposal, neither the land ownership is mentioned in the DPR scrutiny sheet by the Mumbai Board. This needs to be very clear as the relationship between the land owner and project proponent cannot be established in the present form. 2.

सदर DPR सोबत मालमत्ता पत्रक जोडलेले आहे व त्यात धारक म्हणून महाराष्ट्र शासन, जमाबंदी आयुक्त व दिनांक ०३/०७/ २०१७ च्या आदेशान्वये "ना.ज.क.धा. १९७६ चा कलम २० योजनेखालील क्षेत्र" अशी नोंद आढळून येते.

3. The DPR scrutiny checklist needs to be filled in properly. For example, 1.10 it must be Mumbai Board, MHADA and not MHADA/ M.B. 4. It is not clear as to how the proportion of 51% of houses is worked out as there is no mentioned about the total project outlay. Hence whether it is consistent with the G.R. issued by State cannot be ascertained nor it has been ascertained by Mumbai Board. 5. In the checklist at 3.1 the land is owned by whom is not given nor the 7/12 extract is given. 6. In annexure 7B the details about inspection carried by competent officer at Sr. No. 38 are not mentioned. 7. Land valuation report does not indicate whether it is committee report or not. 8. It is not clear how many units of 1 RK and 1BHK are proposed. 9. 1 RK carpet area is shown as 18.66 sqmt. whether this size is permissible under prevailing norms or not is not commented upon. 10. Certified copy of ASR is not attached. 11. The plans, estimates submitted by the project proponent are not signed by board Officials. 12. Certified copy of DP sheet is not attached. 13. The undertaking which is submitted along with the DPR is neither signed by the implementing agency nor by the Chief Officer, Mumbai Board. It must be signed by both the officials. 14. The scrutiny sheet indicates stilt + 33 Storied building but no. of units shown are 99 EWS + 4 LIG there seems to be some inconsistency. 15. It is not clear from the proposal the total no. of houses being constructed under the project. Even it is not clear how many dwelling units are there from EWS and LIG houses. This needs clarity as the G.R. allows only EWS and LIG houses only under PMAY under PPP model. 16. Executive summary attached is not signed and it needs corrections. 17. The city profile is not attached with the DPR. 18. The project cost mentioned in 7B needs correction. 19. The sale price of the project is yet not approved by State. 20. Even the project must be a part of HFAPoA. 21. The approach road width mentioned as 9 meter in annexure 7B and 18 meter in the noting. 22. It is not clear as how many units are proposed under ASR rate. 23. The built-up area shown is in-ordinately high. 24. Water supply and land ownership documents not attached. The project was explained by the Executive Engineer, Mumbai Board Shri Dilip Garaje.
