

CIRCULAR :

**Regarding Payment of Bills of Contractors
executing Housing Project Under "C" Type
Contracts in Regional Boards.**

**MAHARASHTRA HOUSING AND AREA DEVELOPMENT AUTHORITY
Gruhnirman Bhavan, Bandra(E), Mumbai - 51**

No:MH/CE-I/EE-I/A/ 318 /2019

Date : 26/6/19

Earlier tenders for Housing Projects were invited in B-1 Percentage Type Contracts and Itemwise measurements were recorded in Measurement Book. The 4th, 8th and so on bills of B-1 percentage type contract were verified by D.B. of Chief Officer in Technical capacity to have a control on excess quantities after submission of bill. However the bills for payment to contractors executing Housing projects in "C" Contract Lumpsum Turn Key Projects in Regional Boards are routed through Junior Engineer/Section Engineer/Deputy Engineer working as D.B. under Chief Officer's office wherein no such possibility of excess quantity in "C" Type contracts, This leads to inordinate delay in making payment to contractors and timely completion of projects.

As Executive Engineers are Technical heads in Board level and further scrutinizing the bills of contractor by Engineer junior to Executive Engineers in Regional Board is found to be inappropriate.

In order to have clarity and speed of work, Executive Engineers working in Regional Board are herewith directed to forward the contractor's bills directly to Chief Account Officer of the Board for payment to the contractors.

These instructions shall be scrupulously followed. The circular will be effective from the date of issue.

Approved by Hon'ble Vice President
& C.E.O. /A
